

THE SEVEN SECRETS

The Seven Secrets

by William Le Queux (1864-1927)

A true “whodunit” with as many twists and turns as an English country road. Old man Courtenay is found murdered in his bed. Dr. Ralph Boyd is summoned to Courtenay Manor to examine the slain man and discovers a clue that might solve the case, but he decides to keep the clue private for personal reasons. In the meantime, Scotland Yard has no clues to the culprits or the motive. Dr. Boyd is sure he knows who is the murderer. Or, is it a murderess? Sure of his findings, a bizarre midnight encounter turns all Boyd's judgments upside down and the case becomes more peculiar than when it started. What are the seven secrets needed to decode this murder, or is it a conspiracy? One needs to listen to the end to discover the truth.
